

HIRUNI DE SILVA

BSc (Hons) Management Information Systems Undergraduate | Seeking Internship

+94 72 324 9309 | desilva14hiruni@gmail.com | <https://www.linkedin.com/in/hiruni-desilva-6b48b32a0/> | <https://hiruni-desilva-portfolio.netlify.app/>

PROFESSIONAL SUMMARY

Detail-oriented MIS undergraduate at NSBM Green University (GPA: 3.74/4.00) with hands-on experience in front-end development, UI/UX design and data analytics. Proficient in React.js, Next.js and Tailwind CSS, with a live-deployed portfolio and an ongoing client website demonstrating real-world delivery. Strong foundation in Agile methodologies, business process analysis and system design. Seeking an internship opportunity to apply technical and analytical skills in a dynamic, impact-driven environment.

TECHNICAL SKILLS

Programming Languages & Web Technologies

- **Languages:** JavaScript, Java, PHP, HTML5, CSS3
- **Frameworks & Libraries:** React.js, Next.js, Node.js, Vite
- **Styling:** Tailwind CSS, Responsive Web Design, CSS3 Animations
- **Databases:** MySQL, SQL, MongoDB
- **Version Control:** Git, GitHub

Design & Analytics

- **UI/UX Design:** Figma, Prototyping, Wireframing, Accessibility Design
- **Data & BI:** Power BI, Microsoft Excel, Data Visualization
- **Office Suite:** Microsoft Word, Microsoft PowerPoint

PROFESSIONAL SKILLS

Software Engineering & QA

- Agile, Scrum, SDLC (coursework + practice projects)
- Software Testing fundamentals, QA Methodologies, Test Case Design, Quality Management (coursework)
- DOM Manipulation, Cross-Browser Compatibility (applied in projects)

System & UX Analysis

- UML, DFD, ER Diagrams, System Analysis & Design (applied in School Management System project)
- Requirements Gathering, Business Process Mapping, Documentation (coursework)
- Project Planning, Agile Project Delivery (coursework + team projects)
- User-Centred Design, Design Thinking, Heuristic Evaluation, Usability Testing, Wireframing, Prototyping (applied in Railway App redesign)
- Component Architecture (applied in portfolio site), Information Architecture, Interaction Design

EDUCATION

BSc (Hons) Management Information Systems (Special)

2023 – 2027

NSBM Green University | Sri Lanka

- Current GPA: 3.74 / 4.00 | Key Modules: Software Development, Database Management, Business Analytics, UI/UX Design, System Analysis & Design, Project Management

Diploma in Psychology & Counselling - SLQF Level 3

2024 – 2025

IMBS Green Campus Distance Learning Centre (DLC) | Sri Lanka

G.C.E. Advanced Level - Biology Subjects

2020 – 2023

St. John's Girls' School | Panadura, Sri Lanka

PROJECTS

Personal Portfolio Website

Live deployed

<https://github.com/WHNDesilva/portfolio>

- Built a responsive, dark-themed portfolio using **React.js**, **Node.js**, **Vite**, and **Tailwind CSS**; applied component architecture and modern UI development practices

Malewana College Official Website

Client project-In progress

- Developing SEO-optimized institutional site with **Next.js**, **Tailwind CSS** (frontend complete; MongoDB backend in progress); focused on accessibility and performance.

Data Analytics Dashboard

Ongoing

- End-to-end analytics project featuring interactive dashboards and reports for business intelligence insights using **Power BI**, **Microsoft Excel**, **SQL**; applied skills in data visualization, dashboard design, Data Analysis and reporting

Sri Lanka Railway Mobile App Redesign

Completed

- Redesigned mobile app in **Figma** to improve usability and accessibility for ticket booking and navigation; applied user research, heuristic evaluation, wireframing, prototyping, and accessibility design

School Management System

Completed

- Built a full web application for student enrolment, attendance, grades, timetables and reports using **Java**, **Servlets**, **JSP**, **MySQL**; applied system analysis, UML, OOP, database design and SDLC (Waterfall)

Collaborative Web Project - Project-13

Completed

<https://github.com/OpenStag/Project-13>

- Contributed Rooms module in team-built responsive static site using **HTML5**, **CSS3**, **Git/GitHub**; applied Agile workflow and collaboration.

Personal College Website - Practice Project

Completed

<https://github.com/WHNDesilva/personal-project1>

- Built a responsive multi-page website with language switcher, smooth scrolling, and interactive UI elements using **HTML5**, **CSS3**, **JavaScript**; applied DOM manipulation, responsive design and interactive UI development

INDEPENDENT RESEARCH

The Impact of AI-Driven Decision Support Systems on Organizational Performance (ongoing)

- Exploring how AI-DSS influences organizational performance and strategic decision-making include Artificial Intelligence, Business Intelligence, Research Methodology & Analysis

CERTIFICATIONS

- **Cisco Networking Academy** - Data Analytics Essentials, Creating Compelling Reports, Engaging Stakeholders, Introduction to Modern AI, Introduction to Cybersecurity
- **Simplilearn** - Power BI for Beginners, Business Analysis Basics, Project Management 101, Introduction to Figma, Introduction to Graphic Design
- Alison - Fundamentals of Quality Assurance

CORE COMPETENCIES

- Creative Problem-Solving | Analytical Thinking | Attention to Detail
- Teamwork & Collaboration | Effective Communication | Stakeholder Engagement
- Time Management | Adaptability | Continuous Learning Mindset
